

Attachments for Nissan Forklifts

Attachment for Nissan Forklifts - Nissan takes immense pleasure in attaining total consumer satisfaction, when their customer is experiencing one of their many products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to offering high value and detail-oriented quality standards to their clients. Incorporating a fruitful heritage combined with strong processing principals, Nissan lift trucks supply many of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European production warehouse in Sweden to keep up with worldwide lift truck demands. Committed to offering customer support, the business has four distinct production facilities that allow them to constantly adapt to their clients continually evolving wishes by providing an array of innovative ideas and concepts.

The Nissan Forklift North and South American foundation is located in Marengo, Illinois. A devoted team of 350 personnel is fully committed to the cooperation, design and manufacture of their products. Operating under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to maintain environmental accountability by using techniques that diminish the worldwide impact of their goods and processes. These high standards remind consumers that Nissan operates under the quality seal that their consumers require while being an environmentally conscious organization.

Nissan is quite certain that any of their clients queries and client concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally endorsed sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
