

## **Lull Telehandler Parts**

Lull Telehandler Part - Lull telehandlers have been providing precision load placement ever since 1959. Whether the task involves transferring loads, positioning heavy steel or landing loads on scaffoldings, using a Lull telehandler would really help make the task go faster and easier. These units are available with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull could supply eighty inches of boom travel for precision placement capabilities. There are likewise many optional Lull attachments for their telehandlers to help finish any task.
