

Fork Mounted Sweepers

Fork Mounted Sweepers - This attachment makes industrial sweeping work a lot easier to finish. The versatile forklift mounted broom is intended for use with either dry or wet material clean ups. It could push snow and squeegee water without difficulty. This accessory is normally used to clean garbage from parking lots, warehouses, construction sites, docks and virtually anyplace it is needed. The lift truck sweeper is a low maintenance accessory that make use of quick-tite tine products to easily connect to the lift truck.
